

## Winter Band Concert

The Emma Havens Young School Band, composed of over 70 5<sup>th</sup> grade students recently showcased their talents at concerts for both their families and the student body. This was the first concert performed by the band which began practicing at the start of the school year. Mr. Shotwell, the band director, and the band members were excited to demonstrate their musical abilities and played favorites such as, “Mary’s Rockin Lamb,” and “This Old Man.” A number of students were given the opportunity to do solo and duet performances, and amazed the audience with the quality of their performances. Great job!
