Dear Parent/Guardian:

As many of you are aware, the Brick Township Public School District has embarked on an initiative to “Go Green”. The goals of this initiative are to reduce the district’s environmental impact, improve learning conditions, and lower operating costs all at the same time.

In support of this initiative, all secondary level report cards and progress reports will no longer be printed. Access to these documents will be through the parent portal. If you are already enrolled in the Parent Portal program you do not have to re-register.

To register please fill out the attached form and bring it to the Parent Portal registration station in the main office. You will be required to show identification at the registration station so please remember to bring your license. A valid e-mail address is also required for participation in the program. Your user name and password, along with a start date for the Parent Module, will be emailed to you.

STUDENT(S) NAME:

1. _____ 3. _____
2. _____ 4. _____
