**MEMORANDUM**

**TO:** William Bruno  
Director of Athletics

**FROM:** James W. Edwards, Jr.

**DATE:** February 1, 2012

**SUBJECT:** STUDENT ACCIDENT INSURANCE

All student athletes (high school and middle school) should be informed that the Board of Education no longer pays for student accident insurance; however, the student accident insurance is available for purchase, and that information can be found on our website at [www.brickschools.org](http://www.brickschools.org).

Please add to the Physical Form an acknowledgement to be signed by the parent and/or guardian that student accident insurance is not paid for by the Board of Education. No student athlete should participate in practices and/or games without the signed acknowledgement for the athlete on file.
