GENERAL EDUCATION PRESCHOOL INCLUSIVE CLASS

The Brick Township School District shall provide a General Education Preschool program for 3 & 4-year old children at the Educational Enrichment Center. **The cost of this program is \$180.00/month. A \$360.00 deposit is due at the time of registration.**

Payment will be due on the first of each month. No payment will be necessary for the months of May and June as the deposit will satisfy that obligation. Please be aware that non-payment would be grounds for termination of service.

The General Education Preschool class shall enroll typically developing general education pupils based on a lottery selection **each** school year. Children currently enrolled in the 2010-2011 preschool lottery program will **need to reapply** by April 29, 2011 for the upcoming 2011-2012 school year.

The General Education Preschool program will also serve disabled students recommended by the Child Study Team. Disabled children will benefit from being included in a General Education Preschool program increasing educational opportunities for all children.

Any parent or guardian wishing to enroll a General Education Preschool child must verify that your child has turned 3 by October 1, 2011.

The program will serve preschool children 5 days per week, 2 hours per day. Transportation will not be provided for General Education Preschool students.

Preschool Lottery applications are available at the Primary Learning Center, Educational Enrichment Center, and Central Registration as well as on the Brick School District Web Page. **Applications must be returned to Central Registration by April 29, 2011.**
