

iPod Touch Setup

- <!--[if !supportLists]--> <!--[endif]--> **Email**

One time setup:

1. <!--[if !supportLists]--> <!--[endif]--> Touch "Run Me" on the home screen.
2. Select the Install button
3. Select "Install Now"
4. Enter your email address (e.g. jsmith@brickschools.org)
5. Enter your username (e.g. jsmith)
6. Enter your email password

Your Brick Township School email can now be accessed using the "Mail" icon on the home screen.

- <!--[if !supportLists]--> <!--[endif]--> **Genesis**

To access Genesis

1. Simply "Touch" the Genesis Icon on the home screen
2. Accept the website's security certificate when prompted.
3. Log in to Genesis using your existing credentials.

- <!--[if !supportLists]--> **Tips**

1. Remember that holding the iPod Touch **vertically** or **horizontally** will rotate the screen display. This is helpful when viewing webpages in Genesis that require a wide view.

- Using 2 fingers, “pinching” the screen will allow you to **zoom** in or out on the web page you are viewing.
