

Project Fifth Grade

VETERANS MEMORIAL elementary school

Dear Fifth Grade Parents,

Your child has begun a very special milestone in their education ~ becoming a member of the graduating class from elementary school. Special events will be occurring throughout the year and will end with a culminating celebration.

Every year, we've had a tremendous response from our parents and the community, all working together to make these events possible. Without that help, we cannot begin. Your help and guidance is needed in many ways. Even if you are not available during the day, there's still lots you can do.

There will be a brief organizational meeting before school on **FRIDAY, NOVEMBER 18TH at 8:15 AM** in the library. At that time, we will discuss specific details explaining ways you can help and be involved. If interested, please return the bottom portion of this notice and return it to school. If you are interested in assisting, but cannot attend our initial meeting, please indicate below and we will add your to our e-mail mailing list.

If you have any questions or concerns, please contact me at SKurasz@brickschools.org.

Fondly,
Mrs. Kurasz
