Revised 2/3/11

Additional Notes:

1. For softball and baseball teams, only one bus is needed since both teams will travel together to away games.
2. Since all track events are offsite, busses are required for every event.
3. Since students receiving free and reduced lunch cannot be charged for participation, the cost per student has to reflect the percentage of free and reduced lunch students at each school.
4. For supplies, track requires some T-shirts and shorts.
5. Workers/chaperones are required for supervision at away and home events.
6. The District has been advised by the state not to use Federal Education Jobs Funds this current school year to pay salaries.
